

Sony Group Corporation (Japan)

Sony Group Corporation (Japan) is the headquarters of Sony Group Corporation worldwide. Our business includes electronics, games, devices, entertainment, network services and so on. As a creative entertainment company, Sony seeks to use technology to unleash the potential of human creativity.

Roles & Location

Over 40 full-time and internship roles available in Japan (in or around Tokyo).

- ML Researcher (NLP, RL, DGM, etc.)
- Software Engineer
- Robotics Researcher / Engineer
- AI Application Engineer
- Audio-Visual AI Research Scientist
- Speech/Audio Signal Processing
- Data Science and more!

Application Deadline*

13th October 2024, 23:59 (JST)

*Applications will be continually processed up to the deadline, and positions will close afterward if filled.

Language & Benefits

Interviews will be conducted in English, and 95% of roles do not have Japanese language skill requirements (however, an interest in Japanese culture is always a plus!).

Full financial and logistical support for obtaining visas and relocating to Japan for both full-time employees and interns will be provided!

(Yes, this means that international students are welcome to apply!)
