Rules & Regulations

1. A single static Power Point slide is permitted. No slide transitions, animations or 'movement' of any description are allowed. The slide is to be presented from the beginning of the oration.
2. The 3 minute audio must be continuous – no sound edits or breaks.
3. No additional electronic media (e.g. sound and video files) are permitted.
4. No additional props (e.g. costumes, musical instruments, laboratory equipment) are permitted.
5. Presentations are limited to 3 minutes maximum and competitors exceeding 3 minutes are disqualified.
6. Presentations are to be spoken word (e.g. no poems, raps or songs).
7. Presentations are considered to have commenced when a presenter starts the presentation through either movement or speech.

Judging Criteria

1. Comprehension and Content

- Presentation provided clear background and significance to the research question;
- Presentation provided clear positionality of the presenter to the research and research approach*;
- Presentation clearly described the research strategy/design and the results/findings of the research; and
- Presentation clearly described the conclusions, outcomes and impact of the research.

2. Engagement and Communication

- The oration was delivered clearly, and the language was appropriate for a non-specialist audience;
- The PowerPoint slide was well-defined and enhanced the presentation; and
- The presenter conveyed enthusiasm for their research and captured and maintained the audience's attention.

** Positionality is the social and political context that creates your identity in terms of race, class, gender, sexuality, and ability status. Positionality also describes how your identity influences, and potentially biases, your understanding of and outlook on the world.*
